

A SOLAR SUCCESS!

East Village Solar so far has accrued \$6900 in total savings to date. The facility was officially dedicated over the summer.

The Ground Mount System with its 1440 state-of-the-art panels will produce 496.8 kW!

CSAAC's Solar Field

CSAAC INITIATES A NEWSLETTER

The purpose of the new CSAAC newsletter is to provide specialized information to CSAAC family, friends, and personnel. We at CSAAC believe this is another great way to keep all informed of and build awareness about all the fantastic services we provide, and wonderful things we do, as well as giving spotlight to our CSAAC staff.

INTRODUCING BRADFORD LANDING!

In early November our Director of Infrastructure Operations, Craig Pardini, toured and acquired a new CSAAC property...Bradford Landing. Located in the Bradford landing development of Silver Spring, MD are two new homes that are two three story, 3 bedrooms, 2.5 bath townhomes. CSAAC is in the process of purchasing new MPDU (Moderately Priced Dwelling Units) homes to expand the residential program and to phase out some of the older homes.

“We are working very hard to make CSAAC the preeminent facility in all of Maryland” – Eric Salzano

EMPLOYEE SPOTLIGHT

Today's employee spotlight is that of, **George Diggs!**

Hailing originally from Liberia, West Africa, George has been with CSAAC for 12 years, starting in September 2009 working in the Vocational Department. In 2015 he made the transition to the Finance Department where he does Accounts Payable. Mr. Diggs holds a Bachelor's Degree and Master's of Science Degree in Accounting from Strayer University. In his spare time, George enjoys playing the piano, chess, Scrabble and watching sports.

CRAIG PARDINI RECEIVES RECYCLING AWARD FROM MONTGOMERY COUNTY

Each year, businesses in Montgomery County are required to complete an annual recycle report. For fiscal year 2021, Craig Pardini, Director of Infrastructure Operations, developed the concept of changing all of the lights at The Jane Salzano Center for Autism Headquarters to LED lights. By doing this, CSAAC will significantly assist in waste reduction. For more on this story go to WWW.CSAAC.org.
