CSAAC NEWSLETTER

The purpose of the new CSAAC newsletter is to provide specialized information to CSAAC family, friends, and personnel. We at CSAAC believe this is another great way to keep all informed of and build awareness about all the fantastic services we provide, and wonderful things we do, as well as giving spotlight to our CSAAC staff.

LATEST TECHNOLOGY COMES TO CSAAC!

CSAAC has begun the arduous task of replacing our outdated time clocks with the advanced ADP 9100 Time Clock with Biometric fingerprint reader and ID badge reader. This equipment is a simple and intuitive that delivers unprecedented functionality for faster and improved productivity. The new time clocks have the capability to notify employees of urgent items that require attention when punching in or out. Heading up the project is **Solomon Blackman**, CSAAC's IT Specialist who is installing 66+ units throughout CSAAC properties.

"Human Resources is pleased to announce the upgraded online Employee Self Service portal ADP."

“With the release of this new online Employee Self Service, you will have access to commonly used employee forms like Transfer, Promotion, Workers Comp, Policy manual, Benefits guide, Payroll calendar etc. We are looking forward to the ADP partnership and the benefits our employees will receive.”

-Edward Rodriguez Gomez
